News Extraordinary of a Purchase of Gorgeous New Opera and Carriage Coats. Evening Costumes, Visiting and Reception Gowns for Women. Children's Dresses and Handsome Coats. LESS THAN HALF REGULAR PRICES.

Many of the gowns and coats are exclusive and original models. All are the "different" dresses that only queens of modistes could design and bring into being. Our buyer found the importer of them when he was most anxious to get spot cash and go abroad—so the price sacrifice came about. The west windows will be showing place for this resplendent procession and there you should view the garments. Telling is not sufficient, although attempt is made in what follows:
